Plastics Hall of Fame Nomination Information

The next induction ceremony will be held in Orlando, Florida on May 2nd, 2027. The cut off date for nominations for the 2027 gala is September 30, 2026. Any nominations received after that time will be considered for the next cycle.

Nominations can be made by anyone including self-nominations. You do not need to be a Plastics Hall of Fame member to nominate someone. Once a nomination has been submitted they will be considered for two cycles. Then a nominee must sit out for a cycle and then be renominated. Inductions are done on 18 month cycles.

Please make sure that all pertinent information is included with your nomination form. Consideration and voting relies heavily on the information submitted in the nomination form. Although the information will be carefully studied by the Plastics Hall of Fame, you should not rely on the Hall to conduct supplemental research. Complete all applicable sections. If there is a portion that does not apply, you may leave it empty.

Form sections are as follows

- **Demographic information:** Nominee contact information, Birthday, Location and which category they would like to be nominated in. If a nominee is deceased a family contact should be provided.
- **Photographs**: 3-5 photos of the nominee. One must be a professional headshot. Additional photos may include the nominee with their family, hobbies, accepting awards.
- **Accomplishments:** Three open ended questions about the nominee's contributions, proudest moment and crowning achievement.
- **Biographical information:** A short biographical sketch as you would for a presentation or author biography.
- **Educational Background:** Listing of educational programs (Institution, Degree and Area of Study)
- **Employment History**: Up to five companies/positions the nominee has held (Company Name, Job Title, Start and End Dates, and short description of responsibilities)
- **Volunteering Activities:** Up to five industry-supporting volunteering activities (Organization name, Position, Start and End Dates, and short description of activity
- **Publishing:** List top five noteworthy technical articles or books (Title, Journal/Publisher, Date Published) and total number of articles and/or books published during career

- **Presentations**: List top five noteworthy speaking engagements/presentations (Presentation Title, Event, Date) and total number of presentations during career
- **Patents:** Total number of patents and list the top five noteworthy patents (Patent Title, Patent #, Date, and Inventions impact on the global market.
- **Awards:** List the top five noteworthy Awards (Award Title, Honoring Organization, Date)
- **References**: Provide contact information for two references within the industry as well as letters of recommendation can be uploaded

If you are nominating someone else, the contact information for the nominator will be collected. Nominees will get updates at the end of the selection process. The public announcement of those that have been chosen will go out January 2027.

If you have any questions about the process, follow up on the application or concerns please reach out to the PHOF staff at Admin@plasticshof.org.
